NOTICE TO ALL CARRIERS LICENSED TO WRITE INSURANCE IN IDAHO

RE: FILING OF ANNUAL FORMS LIST FOR 2009

The Department is discontinuing the requirement for carriers to submit the list of forms filed or list of marketed forms in Idaho for 2009.

We have made a change to our procedures and will only require the list of marketed forms for disability carriers, on a 3-year timeframe. Therefore until 2012, no forms list will be required.

There is no longer any requirement for companies that only have life, annuities or property casualty on their certificate of authority to submit any forms list.
